

US Denim Mills to present collection at Kingpins NYC

US GROUP presented their collection at King Pins Amsterdam and Denim PV in Paris in April 2017 and will go to present the collection in Kingpins NYC in early May 2017.

The Umer Siddique Group was established by two friends, Mr. Mian Ahsan and Mr. Javaid Arshad Bhatti as a part time apparel trading business intended to finance their higher education abroad. The US Group opened their doors at a new regional office located just off Oxford Street, London. The group are continuing to expand US Denim Mills moving towards it's first Leeds Certification in unit V. Today US Denim Mills and Apparel & Textiles form the US Group.

The lookbook shot by Nick Clements and Stephiane Sian Smith, present an overview of the collection highlighting several fabrics such as Selvedge, Feather Weave, Re:vive, Evoke, Black Concrete, Stretch, Stretch & Bi-Stretch Selvedge
